Investigation Fee: Whenever any work for which a permit is required by Code has been commenced without first obtaining said permit, a special investigation shall be made before a permit may be issued for such work. An investigation fee, in addition to the permit fee, shall be collected whether or not a permit is then or subsequently issued. The investigation fee shall be equal to the amount of the permit fee required by Code plus the cost of staff time required to collect data and process information. The payment of such investigation fee shall not exempt any person from compliance with all other provisions of the Code nor from any penalty prescribed by law.

Refund of Fees: Holders of permits upon which work has not been started may make written application for a refund of fees paid for such permits, provided such application is by the same person or corporation who originally applied for such permit or by the estate of such person or receiver of such corporation within six (6) months of date of issue. Upon verifying the facts in such cases, the Building Safety Manager shall refund seventy-five percent (75%) of all fees in excess of five dollars (\$5.00) in such manner as may be directed by the City Controller.

Electrical Permit Fees: See Schedule "D" for electrical permit fees.
